Many of the students in Tanzania who graduated in December from their two years of study and training in the Theological Education by Extension (TEE) program will now be able to lead new students through the same two-year program. Ask the Lord to help them to be willing and ready to help a new generation of students to grow in the true knowledge of God. At the same time, some of those graduates will have an opportunity to continue on in a second, two-year TEE program in biblical studies of the Old and New Testament. Ask God to help them desire to keep learning.
